

“Mia”

Bullwhip’s Good and Ready JH

Mia is a happy, sweet tempered, well adjusted dog. She loves people and other dogs and is very affectionate. She has a wonderful personality and is easy to become attached to. In the home Mia is docile and well behaved. She is quite obedient and listens well under all circumstances. Mia weighs 55 lbs. and is very athletic yet unobtrusive. She is well proportioned and endowed with simply exceptional gorgeous good looks.

In the field she is ready to prove that she punches well over her weight at every turn. Mia is driven and passionate about training and hunting. She has an “extra gear” that you would not expect from such a mild mannered well behaved lady.

Mia comes from a line of hard working, no nonsense, midwest hunting dogs (R&D Retrievers, Majestic Oaks Retrievers). Wild pheasants roam on and around her home at Bullwhip Ranch and she has proven herself as an exceptional bird finder and hunting partner.

Mia also has competition in her blood (Candlewoods). She is very enthusiastic for retrieving and loves her work and her play. At the line she has one foot on the gas and one foot on the brake while birds are falling. When released for the retrieve it’s “game on” and ”all in” yet she has a soft, gentle mouth for handling birds and a willing, tender, composed delivery.

Mia is an intelligent, talented well rounded hunter and hunt test dog. Most importantly she is an affectionate, mild mannered companion and family member.
